

LIDORAN GROUP “CAN DO”

## LIDORAN ON THE MOVE IN 2009

### A New Company Direction

Lidoran Roofing a respected leader in the Field of Asbestos removal, metal re-roofing, commercial, industrial and residential roofing announces its new company logo to launch it's expansion in 2009.

The New Lidoran group now consists of 5 major Companies in the Australian market. Lidoran Architectural roofing, Lidoran Environmental Services, Lidoran Facades Lidoran Roofing and Astec Paints.

This expansion will allow the Lidoran Group to broaden its well established operations in Australia to the next level, giving our clients the peace of mind they deserve. Our Team is comprised of some of the most talented people in Australia who have direct industry experience spanning 3 decades.

Lidoran directors Tim Fitzgerald and Phillip Bamford have a long standing commitment to quality—satisfying both customer and contractual agreements.

Our mission statement is to provide superior products and services ethically and professionally, which exceed client expectations. We get the job done with minimal interruption to company schedules and production.

***“THE CAN DO TEAM”***

### Lidoran sets a World Record

**3,533 square meters of  
super six asbestos roof  
sheeting removed and  
replaced with Zinalume  
in 11? hours.**

With a team of just 22 men, including both directors of Lidoran Roofing, the roof at Vale Statutory and Mining Services, in Moss Vale's industrial area, was replaced in true Lidoran style.

**Lidoran gets the job  
done FAST with mini-  
mal disruption to your  
business.**
